

**The Adaptive Ski Program, Hills Angels, at Buffalo Ski Club
enables children and adults with physical and developmental challenges
to enjoy the fresh air, fun and excitement that downhill skiing offers
– and to ensure that anyone can participate; we offer this program at no charge.**

To do that, though, we need to raise \$5,000 before each ski season to defray the costs and ensure that participants have the benefits of:

- Two-hour coaching sessions each week with trained and experienced instructors
- Access to special adaptive equipment including three-track outriggers, four-track snowsliders, and bi-skis that enable people with varying physical restrictions to participate
- Lift tickets
- A personalized training plan to ensure that participants and their families are informed, included and engaged in the program

Our primary fundraiser is our annual Hills Angels Adaptive Ski Program Golf Outing, which will take place on September 19 at Concord Crest Golf Course. Along with a great day of golf, we hold a raffle to raise additional funds and we're hoping that you'll support this important program by making a donation – merchandise, gift cards, gift certificates, memberships, whatever you can give, it's welcome. We can arrange for pick-up or delivery of your donation, too – just give me a call at 716.479.2080.

You can find more information about Hills Angels on our website, www.buffaloskiclub.com.

Thank you for making the 2015/16 ski season wonderful for our adaptive skiers!

Sincerely,

Mark Page, General Manager
Buffalo Ski Club

Hole Sponsorship \$60 please email gm@buffaloskiclub.com with your details.
