

Greg Culver long time employee of BSC and an avid BSC lover lost his battle with kidney cancer on 10/14/24.

Many knew Greg Culver from the WNY snowboard, mountain bike scene and Hot Wings Designs. BSC knew Greg very well, Greg was our behind the scene website, Facebook and digital media man. Greg created most of our logos over the years and was the backbone behind the awesome launch of online program registration here at BSC. Greg single handily kept BSC up to speed in the digital marketing world.

BSC will miss him dearly!
